

# Baby Do You Know Lyrics

---

Arisha tou uttari hoor pari  
Rehendi england hai wo door badi  
Saare unho sun de pai si khadke  
Wo bhi gaundi pai si guitar phadke  
Mithi mithi waaj yodi kaan chipai  
Te waaj sun de hi gaya main kholo

O baby do you now  
I'll never let you go  
O bol di si teez teez english  
Mai kiya baby thoda jiya slow  
O baby do you now

I'll never let you go  
O bol di si teez teez english  
Mai kiya baby thoda jiya slow

Hello  
Baby can you translate i'm sorry  
Bharatlyrics.com  
But i'll listen to your heart don't you worry  
If i call you my boo you'll be callin' me "showve"  
Let's go!  
Close to my hips make a move get low  
I'm gonna put my heart in your hands  
Baby we're not just friends  
A fire burns in me  
Come a little closer don't go

O baby do you know  
I'll never let you go  
Te chad english tere leye mai punjabi seekh lao

O baby do you know  
I'll never let you go  
Te chad english tere leye mai punjabi seekh lao

Chan warga ne tera moh ni

Galla gol gol jime pinji hove  
Hone rooni kudiye tu lagen doodh di malai wargi  
Haaye ni haaye ni tu thand ch razai wargi  
Neele rang di hai teri akh  
Jad tak di ae soni ye ni rehda palle kakh  
Galla kar di ae jaan kan lo hoke dil tak meri  
Hoke na tu hun hi kad vakh soniye  
Chan wangu ni sun wangu ni  
Tera poora face karda ay glow

O baby do you now  
I'll never let you go  
O bol di si teez teez english  
Mein kiya baby thoda jia slow

O baby do you now  
I'll never let you go  
Te chad english tere leye mai punjabi seekh lao
