

Baby Song Lyrics

Baby wanna smoke roll up
She likes to move nora
Gale mein hain sona tola
She drives mein crazy ola

Baby wanna smoke roll up
She likes to move nora
Gale mein hain sona tola
She drives mein crazy ola

Main puchha kya seen hain after party
Wo kehti wanna smoke fu*k bacardi
Main bola carefully raasta bhari
Wo boli main toh fookegi main raastafari

Baby swear teri jaisi vibe kiski nahi
Life mein maza nahi
Jab life mein hain risk hi nahi
Kehti chill karo bae bas ek roll karo je
Tumhein pata hai baby peeti nahi whisky nahi

Shawty meri high as hell
Pasand use luxury ysl
Tu pehne og main bhi og in this game
Ye bachkaane jaane kaun hain asaal

De deti gaali khullam khulla
Phoonke manali ka latola
Ankhein shikari lagti shola
Ak47 fully load up prrr

Baby wanna smoke roll up
She likes to move nora
Gale mein hain sona tola
She drives mein crazy ola

Baby wanna smoke roll up
She likes to move nora
Gale mein hain sona tola
She drives mein crazy ola

Aidaa bann gela main
Tere picche hain bata tu kaun
Tu hi kar sakti karega aisa jadoo kaun

Jaan le tu acchese khada tere baaju kaun
Ranveer main tera tu deepika padukone

I feel alive tu jab bhi call karke
Mujhe apne ghar bulaaye
Madeera leke aara aaj hain party night
Tu shakira jaise move kare hips don't lie baby

Main jaise wiz khalifa
Tere galli ka kash le raha seekh saleeka
Tere shaikh se kaise karte pyar
Leke aaya royce tujhe leke main faraar

Mere sath waale boys bole
Ek number choice apne bhai ki
Aankhein teri same to same
Aishwarya rai ki
Nazrein milane se hoti anxiety
