

Hay baby come on
Baby sing baby sing baby sing
Baby mai baby nahi hu no more baby
Baby ho gayi hai jawan nachegi jhumegi gayegi
Ho baby ho gayi hai jawan nachegi jhumegi gayegi

Toba re toba toba re toba
Kise kya pata badi muskil me jaan fas jayegi
Toba re toba
Kise kya pata badi muskil me jaan fas jayegi
Baby ho gayi hai jawan nachegi jhumegi gayegi
Ho baby ho gayi hai jawan nachegi jhumegi gayegi

One two one two three
Na na na chhi chhi chhi
Mai kya thi mai kya thi
Mujhe kya tumne bana dala
Mai kya thi mujhe kya tumne bana dala
Ek gori ka tumne ghunghat utha dala
Dil ghabra raha hai dil ghabra raha hai
Maja bhi aa raha hai
Jindagi bhar ye raat yaad ayegi

Baby ho gayi hai jawan nachegi jhumegi gayegi
Ho baby ho gayi hai jawan nachegi jhumegi gayegi
Toba re toba
Kise kya pata badi muskil me ja fas jayegi

Baby ho gayi hai jawan nachegi jhumegi gayegi
Ho baby ho gayi hai jawan nachegi jhumegi gayegi

One two three four
One two three four
One two three four
One two three four
One two three four
Maine dekha na tha
Maine dekha na tha

Aisa bhi shama hota hai
Is dunia me dusra bhi jaha hota hai

Ye basti hai kaisi ye basti hai kaisi
Jaha masti hai aisi
Saja ban ke jo ankho pe chayegi
Baby ho gayi hai jawan nachegi jhumegi gayegi
Ho baby ho gayi hai jawan nachegi jhumegi gayegi.
