

Bekarar hu tere pyar mein  
Dard hai jawa dil ke taar mein  
Bekarar hu tere pyar mein  
Dard hai jawa dil ke taar mein  
Saanso mein mujhko basa le  
Sanam mere sanam  
Baby love me love me  
Oh baby baby love me love me  
Baby love me love me  
Oh baby baby love me love me  
Bekarar hu tere pyar mein  
Dard hai jawa dil ke taar mein

Dekhi hai tune meri bebasi ab  
Aur mujhako tu bebas na kar  
Dekhi hai tune meri bebasi ab  
Aur mujhako tu bebas na kar  
Tu mere haatho ki takdeer hai  
Tu mere haatho ki takdeer hai  
Tujhko khabar kya o bekhabar  
Tujhko khabar kya o bekhabar  
Apna tu mujhko banale  
Sanam mere sanam  
Baby love me love me  
Oh baby baby love me love me  
Baby love me love me  
Oh baby baby love me love me  
Bekarar hu tere pyar mein  
Dard hai jawa dil ke taar mein

Meri hi aankho mein rehkar bata  
Tu gair ka khwaab kyun ho gai  
Ho meri hi aankho mein rehkar bata  
Tu gair ka khwaab kyun ho gai  
Teri wafa pe mujhe naaj tha  
Teri wafa pe mujhe naaj tha  
Sikhi kaha se adaa ye nayi  
Sikhi kaha se adaa ye nayi  
Zulfo mein mujhko chupa le  
Sanam mere sanam

Baby love me love me  
Oh baby baby love me love me  
Baby love me love me  
Oh baby baby love me love me
