First uh first uh unna paakaiyila
Just uh miss uh agi poitene
Ennadhan neeyum paathuputta
Side uh vangii odiputta

First uh first uh unna paakaiyila
Just uh miss uh agi poitene

Manasu kedandhu adichudhu gas uh
Baloona pola vedichudhu
Thannane naane naane
Naane naane naanane

Baby baby oh my oh my baby oho

Once upon a time in madura town uh
Schoolu bagah mudichiu matti
Walking the streets on
Oru azhagana ponnu with amsamana kannu
Enna pathu look uh vitta varavilla feelings

Baby baby ada gokka makka baby

Unna patha naal mudhala en manam engudhadi
En manam engudhadi ullukulla sagurandi
Unna patha naal mudhala en manam engudhadi
En manam engudhadi ullukulla sagurandi

Baby baby oh my oh my baby oho
Baby baby oh my oh my baby oho
Baby baby oh my oh my baby oho
Baby baby oh my oh my baby oho

First uh first uh unna paakaiyila
Just uh miss uh agi poitene
Ennadhan neeyum paathuputta
Side uh vangi odiputta
