

Sapno ki raahon mein yun  
Aa tumse uljhe hain hum  
Ab yunhi uljhe rahein  
Suljhaye suljhe na hum

Tu mujhko kyun aa mili  
Main tujhko kyun aa mila  
Kya milna mera tera  
Hai sadiyon ka silsila

Baby won't you tell me  
O tell me, o tell me  
Baby won't you tell me so

Baby won't you tell me  
O tell me, o tell me  
Baby won't you tell me so

Tere dil mein dhadkan meri  
Mere seene mein dil tera  
Tera sab kuch ab se hoon main  
Aur tu hai haasil mera

Teri chhoti si baat main  
Mere alfaaz tu

Tere lab ki main guftagu  
Mere mann ka har raaz tu

Baby won't you tell me  
O tell me, o tell me  
Baby won't you tell me so

Baby won't you tell me  
O tell me, o tell me  
Baby won't you tell me so.
