

Babyma Song Lyrics

Oththa nodiyil enna piththu pidikka vecha
First ball la inga aanaenae bowl da
Ora paarvaiyil enna orangattitta mella
Unna en heartu kulla podhaichaen gold aa

Beauty queenu nee fan boy naan
Melam kotta let us become couple ma

Charming princeu nee choosy ponnu naan
Unna select panna reason kudu ma

Sunu lightlla kooda
Kudaiya pidikkum nizhalaa
Unakku thunaiya nadandhu
Naan varuven

Moonu lightla nee en
Virala korthu medhuva
Virala korthu medhuva
Sodakku eduthu viduviyaa

Babyma babyma
Kottudhae kaadhal maa
Nee en thanga katti ma
Unna thedi vandhei ma

Babyma babyma
Kottudhae kaadhal ma
Nee en vaira katti ma
Unnoda kalla petti
Naan thaana maa

Thooral podum nimisham
Dhooram konjam kuraiyim
Vaanam kottum nerathula
Kangal theenduthae

Manasukulla mayakkam
Veliyuru thayakkam
