Naina de jode tan daily karde shikaar ni

Nakhre fabhde java sadke
Nakhre fabhde java sadke
Odiyan adavan ton bach bach turde
Ni bach bach turde handiye ni munde tere nigaahan ton
Ni bach bach turde handiye ni munde tere nigaahan ton

Sada hath je fadlien rakhun vadhke sahaan ton
Bach bach turde handiye ni munde tere nigaahan ton

Tainu kude vogue magazina ale labhde
Pauna tu akhaan de vich surma jea shad de
Jinia tu sade ton bnauna chahve doorian
One hi yaraane tere vall jande vdhde

Dhupan vich paye sadh de katon bhajde shaavan ton
Bach bach turde
Ni bach bach turde handiye ni munde tere nigaahan ton
Bach bach turde handiye ni munde tere nigaahan ton

Tere aa mureed ni javange kise hor kol
Aisian gallan da veham dil ton hi kadh de
Dass tu brand kede paune marjaniye
Gal bass sangan sangaun vali shad de

Shonk tere sab puru mai dakkna ni chava ton
Bach bach turde handiye ni munde tere nigaahan ton
Bach bach turde handiye ni munde tere nigaahan ton
