

Kaisi ye halchal  
Kaisa bhoochaal hai  
Saansein phooli hain aur  
Yeh dil behaal hai

Dhadkan ruk jaaye na yeh  
Darr lagta hai mujhe  
Phansta hi jaata hoon  
Yeh aisa jaal hai

Aankhon pe patti bandh ke  
Mere sar pe nishana loge kya

Bachche ki jaan loge kya  
Ow bache ki jaan loge kya  
O o ow bache ki jaan loge kya  
Bache ki jaan loge kya

Udta hi jaa raha ye  
Chehre ka rang hai  
Badhti betaabiyon aur  
Maamla tang hai

Bachna mumkin nahi sab  
Koshish bekaar hai

Aisa kyun lag raha hai  
Jaise koi jung hai  
Pairon se chhin lee zameen  
Ab uspe lagaan loge kya

Bachche ki jaan loge kya  
Ow bachche ki jaan loge kya  
O o ow bachche ki jaan loge kya  
Bachche ki jaan loge kya

Dil ki banjar zameen pe phool kaise khile  
Sehra mein baarishon ki boond kaise mile

Ehsaason ki kabhi nahi hoti hai umar  
Iss baat se bhi tum bhala kyun ho bekhabar

Haan main nadaan hoon na mujhko kuch khabar  
Phir mujhpe manmaani karte ho kyu magar  
Mujhpe talwar taan ke mera imtehaan loge kya

Bachche ki jaan loge kya  
Ow o o bachche ki jaan loge kya  
Aye ee ee bachche ki jaan loge kya  
Bachche ki jaan loge kya

La la la...

Yaadon ki titliyan jo itni sambhali hai  
Yeh jo ud jaaye toh dil poora khaali hai  
Naye pal ko khul ke aaj tu jee le toh zara  
Kabhi yun bewajah bhi tu khulke muskura haa

Sookha sookha sa hoon  
Na hoon shauqeen main  
Thoda sa sangeen bhi hoon  
Na hoon rangeen main  
Meri neendein uda ke  
Khud chain ki saansein loge kya

BHARAT
