

Bachche man ke sachche  
Bachche man ke sachche  
Saari jag ke aankh ke taare  
Ye vo nanhe phul hai jo  
Bhagavaan ko lagate pyaare  
Bachche man ke sachche

Khud ruthe khud man jaaye  
Phir hamajoli ban jaaye  
Jhagadaa jisake saath kare  
Agale hi pal phir baat kare  
Jhagadaa jisake saath kare  
Agale hi pal phir baat kare  
Inako kisi se bair nahi  
Inake liye koi gair nahi  
Inakaa bholaapan milataa  
Hai sabako baanh pasaare  
Bachche man ke sachche  
Saari jag ke aankh ke taare

Insasaan jab tak bachchaa hai  
Tab tak samajh kaa kachchaa hai  
Jyo jyo usaki umar badhe  
Man par jhuth ka mail chadhe  
Krodh badhe nafarat ghere  
Laalach ki aadat ghere

Bachapan in paapo se hata  
Kar apani umar guzaare  
Bachche man ke sachche  
Saari jag ke aankh ke taare  
Ye vo nanhe phul hai jo  
Bhagavaan ko lagate pyaare  
Bachche man ke sachche

Tan komal man sundar  
Hai bachche bado se behatar  
Iname chhut aur chhaat nahi  
Jhuthi jaat aur paat nahi  
Bhaashhaa ki taqaraar nahi

Mazahab ki divaar nahi  
Inaki nazaro me ek hai  
Mandir masjid gurudvaare  
Bachche man ke sachche  
Saari jag ke aankh ke taare  
Ye vo nanhe phul hai jo  
Bhagavaan ko lagate pyaare  
Bachche man ke sachche.
