

Back Of Car Song Lyrics

Ho panj satt naal ghuma kade na alone
Mehkan chadde duron laya mehnga jeha clone
Gola vatt suteya te bass vich tone
Ex di ayi call kehndi come on

Oh majha kude area te je koi verheya
Te vekhi fer rang rang rang
Back of car kude paye aa ni sandh
Kare koi tichar te jau kiven langh
Back of car kude paye aa ni sandh
Kare koi tichar te jau kiven langh

Ho shehar badi ronak phone yaran ne milaya
Main vi keha betho tusi bas main vi ayea
Udharhdi vekh kayian jatt kude chaaya
Ho paase hoke behjo evain khoru kahda payea
Phone cover na layi airporton vi tapayi
Aokha sokha sare dang dang dang

Back of car kude paye aa ni sandh
Kare koi tichar te jau kiven langh
Back of car kude paye aa ni sandh
Kare koi tichar te jau kiven langh

Ho harl harl hoje jado paon jatt gedi
Vehndi mitran de vall oh dasi bhala kehdi
Ho changeran ch chari gall rakhde a sehri
3b2 si chalayi pichon aaye munde nehri
Naal bandde sare tope sukka krida aa dope
Chadd ditte jehre nang nang nang

Back of car kude paye aa ni sandh
Kare koi tichar te jau kiven langh
Back of car kude paye aa ni sandh
Kare koi tichar te jau kiven langh

Kayi jealousy de patte baba kruga bless
Vichon vichi lagde aa shor kra na main guess
Oh naam kahton evain saley kayi naish
Dhillon wang chahonde kitey hoje sadi yes
Jatt lenda firey lugge rees kithon honi bugge
Khedo mallo layo nand nand nand

Back of car kude paye aa ni sandh

Kare koi tichar te jau kiven langh
Back of car kude paye aa ni sandh
Kare koi tichar te jau kiven langh
