

Baby hold your breath  
Tere paas jo aaun toh  
Hosh uda dunga sach mein  
Baby wait a sec  
Tujhe nahi hai pata hai  
Kitna maza mere touch mein touch mein

I know you want it  
I know you, know you, know you need it need it  
Teri aankhon mein likha hai sab kuch  
Baby I can read it read it

Thoda sidha sadha hoon  
Thoda sa hoon mad bro  
Baby I'm a bad boy  
Can you be my bad girl

Baby I'm a bad boy  
Can you be my bad girl

Hi rehta baby high  
ISTAYFLY fly jaise helicopter  
Yo I'm so sick bulao doctor ko  
Sab cash no checks

Main chup rahu  
Swag kare mera flex  
Mood mein aa gaya baby toh

Tere boyfriend ke aage laga dunga Ex

Boy I'm down with it, down with it  
Tune le liya ye dil  
Tujhse doori banaye rakhna  
Boy ab ho gaya mushkil

Boy I'm down with it, down with it  
Tune le liya ye dil  
Tujhse doori banaye rakhna  
Boy ab ho gaya mushkil

BHARAT  
lyrics

Tu hai fire, main hoon gasoline boy  
Take me higher, you know what I mean boy  
Main bhi bilkul tere jaisi mad girl  
I know you're the bad boy  
I can be your bad girl

Baby I'm a bad boy  
Can you be my bad girl  
I know you're the bad boy  
I can be your bad girl  
Baby I'm a bad boy  
Can you be my bad girl.
