Neelo andam adigina maikam
Baby i'm a love croc

Let me tease you girl
Ninu tarimina manasuni feel it
Nuvveppudu chudani kalalatho baby
I could steal it
Nalo sagame crazy
Another half i'm bad girl
Baby i'm a bad boy
Can you be my bad girl?

High baby so high
I saty fly fly
Fly like a helicopter
Your just a spin with my x-factor yo
Just cash no checks
Now game is on and my swag intense

Zara nee boy friendni chesthanika ex

Boy i'm in wrong with you wrong with you

Take me higher you know what i mean boy
Kiss me baby nenu neela mad girl
I know you're a bad boy
I can be your bad girl.
