Jad para sadda chadh jaana ae

Harvi!

Garam khoon tera tharr jaana ae
Jad para sadda chadh jaana ae

Hathyar ve aine ne tainu tol deyange oye
Yaar vi aine ne tainu rol deyange oye
Aahaa round hathyar jehde chakki firde

Aahaa round hathyar jehde chakki fairde
Aukha hoju mauke utte ghoda dabna

Gall pyar naal karle tu beh ke balleyan
Addi karenga te behn joga vi nahi chhaddna
Gall pyar naal karle tu beh ke balleyan
Addi karenga te behn joga vi nahi chhaddna

Mittran nu kitte lalkaar layi na
Balleya tu masla vigaad layi na
Bhambna de naal kithe khainda firde
Makhna oye khud nu tu saarh layi na

Sadde te chalni nahi teri badmashi oye
Yaar taan vairi di kadh den 84 oye

Mittran de je tu bahotaan sir chadheya
Mittran de je tu bahotaan sir chadheya
Pher tera kaka vailpuna kadhna

Gall pyar naal karle tu beh ke balleyan
Addi karenga te behn joga vi nahi chhaddna
Gall pyar naal karle tu beh ke balleyan

Addi karenga te behn joga vi nahi chhaddna

Dil vich aiven na koi rakhi shaq tu
Makhna oye sabbi sabbi kehnde jatt nu
Apni vi hiq vich zor chaahi da
Karna ki naal aiven bohte kath nu

Nature sau ae par putthi jaayi matt da
Dekhi ghum je na dimaag kite jatt da

Aahaa z security jo chakki firde
Aahaa z security jo chakki firde
Addi je garaari ik vi ni labbhna

Gall pyar naal karle tu beh ke balleyan
Addi karenga te behn joga vi nahi chhaddna
Gall pyar naal karle tu beh ke balleyan
Addi karenga te behn joga vi nahi chhaddna.
