

Bada bedard jahaan hai yahaan insaaf kahaan hai
Mujhe o duniya vaale vaapas bula le
Bada bedard jahaan hai yahaan insaaf kahaan hai
Mujhe o duniya vaale vaapas bula le
Bada bedard jahaan hai yahaan insaaf kahaan hai

Aag lage sansaar ko andha jisaka nyaay
Aag lage sansaar ko andha jisaka nyaay
Yahaan to maan ki maamata dhan se tauli jaay
Dhan se tauli jaay
Bada bedard jahaan hai yahaan insaaf kahaan hai

Mujhe o duniya vaale vaapas bula le
Bada bedard jahaan hai yahaan insaaf kahaan hai

Maa hokar mai maa nahi fut gaye mere bhaag
Maa hokar mai maa nahi fut gaye mere bhaag
Le gaye jaalim chin ke ghar ka mere charag
Ghar ka mere charag
Gayaa mere nain ka tara hua mera ghar andhiyara
Mujhe o duniya vaale vaapas bula le
Bada bedard jahaan hai yahaan insaaf kahaan hai

Tuj bin mere laadale suna mera jahaan
Tuj bin mere laadale suna mera jahaan
Kise sunaayun loriyaan kaun kahe mujhe maan
Kaun kahe mujhe maan
Koyi mera dard na jaane kise jaayun samajhaane
Mujhe o duniya vaale vaapas bula le
Bada bedard jahaan hai yahaan insaaf kahaan hai.
