Nazar main damini, meri kya baat hai
Tu ne abhi dekha hai kya pehli mulakat hai

Badan main chandni, adaa main ragini
Nazar main damini, meri kya baat hai
Tu ne abhi dekha hai kya pehli mulakat hai
Badan main chandni, adaa main ragini
Mere husn ka jadoo
Dhaye kya sitam dekhe jadoo
Koi to hai tham-e-jigar dil pe koi ghat hai
Badan main chandni
Aada main ragini

Jab se dil mein tum aaye ho
Jeevan pe mere haaye chaye ho
Betaab sa har din mera, bechain si raat hai
Badan main chandni
Aada main ragini

Yeh jo hai mera pehlu
Is main hai yaar ki khushboo
Yeh jo bhi hai hah yeh pyaar ki sari karamateein hain
Badan main chandini
Aada main ragini
Nazar main damini
Meri kya baat hai
Tu ne abhi dekha hai kya pehli mulaqat hai
Badan main chandni, adaa main ragini.
