---

Oo billo tere yaar di chadhai ni  
Oo badeyan to jarri nahiyo jandi aa  
Kal main teinu kehna si ve dhillon aa  
Madeer tettho khaar badi khandi aa

Haan haan main vi aa aware kude full ni  
Ho taahi rakha 30 aala dubb naal  
Gaha paindi aa ne dhunn rakha mag ni  
Ghumma kalla kehra sheher naal main bagh naal

Kai tere taur tappe ton ae jalde  
Te kai tettho aivein laggi jande aa  
Kai mere saale behti meinu nindh de  
Ho kara ki main mere kande aande aa

Ho badboy kehn teinu suneya  
Khair duniya ta bada kuch aandi aa

Oo billo tere yaar di chadhai ni  
Ho badeyan to jarri nahiyo jandi aa  
Ho billo full yess tere yaar di  
Ho badeyan to jarri nahiyo jandi aa

Ve tu safe hand chal hun sohneya  
Mandeer tettho khaar badi khandi aa

Ve tu ohi laun paun aa mashoor jhida  
Vekh ahlda nu thande hoke aune aa  
Haan main ohi maajhe utte lagg gaun jo  
Te pichhe pichhe laye bade gaun aa

Ve tu ohi gal kare jo makhaul naa  
Te teri kitti gall vi mashoor aa  
Main oh ni jo geetan vich jatt ne  
Pind shaav saddi lv mshoor aa

Oo thehar ikk gall dassan hor ni  
Mere jeha mera bai vi mashoor aa  
Oo lookaan de ta yaariyan de kisse ne

Mera vair te vagadi vi mashoor aa

Tera suneya ae time vi chakon ge  
Te mainu darr hoje naa vi haaniyan

Oo billo tere yaar di chadhai ni  
Ho badeyan to jarri nahiyo jandi aa  
Ni billo full yess tere yaar di  
Ho badeyan to jarri nahiyo jandi aa

Ve tu safe hand chal hun sohneya  
Mandeer tettho khaar badi khandi aa

Leke fire fortuner aan da kaaflea  
Jaan bujh ke tu thaar da ae kaalje  
Aithe bade kai player si ge ban de  
Bai relte main gussi kar bhalte

Sach kehn teri kudi badi maadi aa  
Khake maal chatto pair rehna high  
Oo bai kehke patthar jo sutt de  
Kalla high ni main kude high fi

Fake aure vich paun aithe reel an kai  
Pind beitha ni main full sastified  
Blue tick jhi lava ke bachhe chaunde ne  
Te shaah jaake utte verify

Ve tu kise gallo galo laaye si  
Te kehnde ke tu khel gaya shaitaniya

Oo billo tere yaar di chadhai ni  
Ho badeyan to jarri nahiyo jandi aa  
Ho billo full yess tere yaar di  
Ho badeyan to jarri nahiyo jandi aa

Ve tu safe hand chal hun sohneya  
Mandeer tettho khaar badi khandi aa

Ve chare pase dise tu hi ajj kal  
Vishay charcha ta tu hi aa ve mejaan da

Geet muttiyan de jinna raula paunde ne  
Ohtho vadh mera raula fan page aan da

Kolo langh le aa pind mera puchh le koi  
Bataun meri ki khandaani aaa
