

Yo apne me khoye hai sab  
Apne se apne ko matlab  
Bade shehar ke bade nakhre hai  
Samjana enko koi  
Choti si hai yha ye baat  
Din se labee hai raat  
Jo kamnaye hai vo baju ho jaye  
Wasta na usse koi  
Wasta na usse koi

Guse me rahte hai sab  
Jo muskura de vo hai ajab  
Uchi emarto me niche hai log  
Samjana na khud ko koi  
Bharatlyrics.com  
Jine to aye he ham bhi  
Marna bhi hamko hai  
Jite ji kyo marne ho  
Usme kya maja hai  
Ek daod me bage hai sab  
Fursat ka jane na matalab  
Padhosi bhi hai padhosi se ajanabi  
Hoga anjana koi hoga anjana koi

Pesaa hai to fir hai adag  
Gadhi bagale ki sab chamak  
Jo thanthan gopal hai  
Uskapucho na hal  
Janta na usko koi  
Janta na usko koi  
Janta na usko koi.
