

Badi bewafa hai, udati hawa hai
Badi bewafa hai, udati hawa hai
Yeh zindagi saakiya

Woh duniya kaha hai, milati jaha hai
Dil ki khushi saakiya
Dil ki khushi saakiya aa aa aa

Dekha hai hamne, din raat pi ke
Nikale na phir bhi, armaan ji ke
Jhuti hai saki, main ki yeh masti
Roshan ho kaise, phir dil ki basti
Jhuti hai saki, main ki yeh masti
Roshan ho kaise, phir dil ki basti

Yaha na waha hai, jaane kaha hai
Woh roshani saakiya

Woh roshani saakiya, aa aa aa
Badi bewafa hai

Shishe me jo hai, woh toh hai nakali
Kaha pe chhupa ke, rakhi hai asali
Aankho se apani, ik jaam de de
Betaab dil ko, aaraam de de
Aankho se apani, ik jaam de de
Betaab dil ko, aaraam de de
Tadapa rahi hai, rah rah ke dil ki
Yeh bekali saakiya
Yeh bekali saakiya aa aa aa.
