

Badi tadap hai mohabbat
Ki bezubaani mein
Ke dil e garib ko maut
Aa gayi jawaani mein
Bewafaa tune
Bewafaa tune qayaamat
Ki ada paayi hai
Ek main hi nahi duniya
Teri shaidaayi hai
Bharatlyrics.com
Bewafaa tune qayaamat
Ki ada paayi hai
Ek main hi nahi duniya
Teri shaidaayi hai

Kaun kehta hai tere
Dil mein wafadari hai
Tu jahannam se udaayi
Hui chingaari hai
Tere jalwon mein mohabbat
Ka ujaala hi nahi
Haaye ab koyi tera
Chahane wala hi nahi
Lut gayiaabru ulfat
Ki to ulfat kaisi
Jab tere pyaar mein
Dhokha hai to chaahat kaisi
Waqt ne mujhse tujhe
Teri kasam chhin liya
Bewafaaon ne mohabbat
Ka bharam chhin liya
Is tarah husn ko
Badnaam kiya hai tune ae
Har jagah pyaar ka nilaam
Kiya hai tune ki teri taqdir
Teri taqdir mein shohrat
Nahi ruswaayi hai
Bewafaa tune qayaamat
Ki ada paayi hai
Bewafaa tune qayamat

BHA RAT
lyrics

Ki ada paayi hai
Ek main hi nahi duniya
Teri shaidaayi hai

Jo bura hai wohi duniya
Ko bura kehta hai
Jis mein gairat hai
Wo har haal mein chup
Rehta hai kaun kehta aa
Kaun kehta hai ki tu
Husn ka shaidaayi hai
Teri baaton mein mohabbat
Nahi ruswaayi hai
Main jo shirin ki adaaon
Ko zara yaad karun
Tu to kya hai jise chaahun
Use barbaad karun
Daaman e dil ko mohabbat
Ke asar se bhar dun
Sirf majnu nahi laila
Ko bhi majnu kar dun
Parda e husn se jo
Pyaar ka shola nikley
Thokare khaata hua
Kabr se ranjha nikley
Maine dam bhar mein
Farishton ka bharam tod diya
Shaayaron ne mujhe
Dekha to kalam tod diya
Baat aati nahi to
Baat banana sikho
Tir barsana hai to
Pehle nishaana sikho
Thhodi ulfat bhi zaruri
Hai adaawat ke liye
Ke saadgi chaahiye izhaar e
Shikaayat ke liye ye shikaayat
Ye shikaayat nahi
Badnaami hai ruswaayi hai
Kaun kehta hai ki tu

BHARAT
lyrics

Husn ka shaidaayi hai

Bewafaa tune bewafaa

Tune qayaamat ki ada paayi hai

Ek main hi nahi duniya

Teri shaidaayi hai

Bewafaa tune qayamat

Ki ada paayi hai

Ek main hi nahi duniya

Teri shaidaayi hai

Maine maana mera dushman

Hai har ek naaz tera

Phir bhi ulfat mein ye

Daawa hai pari naaz mera

Chaandni shab ko gham e

Hijr se mailaa kardun

Tu to kya main jise

Chaahun use laila kardun

Jalwaa e husn bhi ek

Shola e baatil nikla

Hum masihaa jise

Samjhe the wo qaatil nikla

Husn rota hai ki ab

Chahane waale na rahe

Dil tadapta hai mohabbat

Ke ujaale na rahe

Jab ye aalam hai to kya

Ishq ka izhaar kare

Ke bewafaa tu hi bata kaise

Tujhe pyaar kare

Ke sara aalam

Sara aalam teri surat

Ka tamaashaayi hai

Bewafaa tune qayaamat

Ki ada paayi hai

Bewafaa tune qayaamat

Ki ada paayi hai

Ek main hi nahi duniya

Teri shaidaayi hai

Kahaan kya pyaar ka
 Inaam humen dete hain
 Zulm khud karte hai
 Ilzaam hamen dete hain
 Kaun kehta hai ki jalwon
 Mein ujaala hi nahi
 Sach to ye hai ki koi
 Dekhne wala hi nahi
 Aankh mein raushni
 Hoti to nazaara karte
 Is tarah tir andhere
 Mein na maara karte
 Husn ki roshni
 Badnaam nahi hoti hai
 Pyaar wo shai hai jo
 Nilaam nahi hoti hai
 Gaur kar gaur ke ulfat
 Ka gunahgaar hai tu
 Waqt ke haath mein chalti
 Huyi talwaar hai tu teri chaahat
 Teri chaahat ne bhi
 Dushman ki ada paayi hai
 Kaun kehta hai ki tu
 Husn ka shaideaayi hai

Pyaar karne ka abhi tujh
 Mein tariqaa hi nahi
 Bewafaa tujh ko mohabbat
 Ka saliqaa hi nahi
 Teri baaton mein shikaayat
 Ke siwaa kuchh bhi nahi
 Tere andaaz mein nafrat
 Ke siwaa kuchh bhi nahi
 Apni izzat ka koyi
 Paas nahi hai tujh ko
 Apni gairat ka bhi
 Ehsaas nahi hai tujh ko
 Ishq ke naam ko mitti
 Mein milaaya tune
 Husn ka naam zamaane

Mein ganwaaya tune
Aashiqi jis jagah bikti
Hai wo bazaar hai tu
Ek tuti huyi paazeb ki
Jhankaar hai tu aisi baaton
Aisi baaton se to hum
Dono ki ruswaayi hai
Phir na kehna mera
Mehboob bhi harjaayi hai
Aisi baaton se to hum
Dono ki ruswaayi hai
Phir na kehna mera
Mehboob bhi harjaayi hai.
