O aaja meri palang taunki, le receiver rakh  
Khet se chhote bail mein, aur tujh mein kya hain farakh  
O pehli randh ke dada me, doodh mein mili kesar  
Chal hat hawaa aane de, na badha apna blood pressure  
Sardi mein garam rajaai tu, teri shaamat ban ke aayi hoon  
Love you love you kehta hai, kis chidiyaan ghar mein rehta hain  
Ek mauka de is launde ko, ye apna hunnar dikhaayega  
Dekhna mazaa aayega, aaj bach ke kahaan jaayega  
Kahaan jaayega, kahaan jaayega, badmaash launde  
Hoore badmash launde, hoore badmash launde.
