

Zindagani ke lamhon ko tere naam kar diya
Zindagani ke lamhon ko tere naam kar diya
Khud ko teri hi khatir badnaam kar diya
Badnaamiyan mili, tanhaiyaan badhi
Badnaamiyan mili, tanhaiyaan badhi

Zindagani ke lamhon ko tere naam kar diya
Zindagani ke lamhon ko tere naam kar diya
Khud ko teri hi khatir badnaam kar diya
Badnaamiyan mili, tanhaiyaan badhi
Badnaamiyan mili, tanhaiyaan badhi

Har pal yeh dil yaad tujhe karta rehta hai
Har pal tere sapne ye dekha karta hai
Maana tumne raaste apne badal diye
Yeh bechara beete kal mein hi rehta hai

Aakhiri saans ko bhi tere naam kar diya
Aakhiri saans ko bhi tere naam kar diya
Khudko tere hi khaatir nakaam kar diya
Badnamiyen mili, tanhaiyaan badhi
Badnamiyen mili, tanhaiyaan badhi

Main teri aankhon mein dekhta hoon khudko
Tumko kya dikhta hai, meri nazron mein kaho

Dekhte chaahte, subah ko shaam kar diya
Dekhte chaahte, subah ko shaam kar diya
Khud ko teri hi khatir qurbaan kar diya

Badnaamiyan mili, tanhaiyaan badhi
Badnaamiyan mili, tanhaiyaan badhi

Zindagani ke lamhon ko tere naam kar diya
Zindagani ke lamhon ko tere naam kar diya
Khud ko teri hi khatir badnaam kar diya

Badnaamiyan mili, tanhaiyaan badhi
Badnaamiyan mili, tanhaiyaan badhi.
