

Bagon kee tu ranee hai
Han hu
Han hu
Amava par chhaayee javanee hai
Han hu
Han hu
Sebo pe aa gayee lalee mahakane lage anar
O bagon kaa tu rajakumar
Han hu
Han hu
Tere liye hai inakee bahar
Han hu
Han hu
O kaliya aayee shababo par phulo pe aaya nikhar
O bagon kee tu ranee hai
Han hu
Han hu
Ho bagon kaa tu rajakumar
Han hu
Han hu

Anguree bele aapas me khele mausame gul ke mele ko
Chamake papita sone jaisa rang dekho albele ka
Dekho dekho ara ra ra dekho na
Jamun see aankhe, chiku see baaten, honth santare ke jaise
Tere badan ke aage chaman ko dekhu, toh kaise dekhu
Chal dekho dil ko sambhalo, buree nigaahe na dalo
Na na na na na na.....
Na mila hai tumko toh abhee koyee akhtiyar
Ai bagon kee tu ranee hai
Han hu
Han hu
Ho bagon kaa tu rajakumar

Phal sare pak gaye kaante mahek gaye, lachake dalee dalee
Kare na choree koyee o goree, kahan hai inaka malee
Bolo bolo are bolo bolo

Malee banega vahee jo inakee kar paye rakhavalee
Abb tak maine sambhalee yeh bagiya abb na jaye sambhalee
Chun le tu mujhko malee karunga mai rakhavalee
Chhu na paye tujhe koyee banunga peharedaree
