 Tere sohniye rakane

O radke radke radke ni munda thoda thoda rehanda sangda
 Loki vekh de ne onu khad khad ke jedi gali yaar lang da
 O piche kudia badiyan ne kataar ch khadiyan ne
 Koi kehan di gal ni sab khariyan khariyan ne
 Dil aladhan de suli utte oye oye oye
 Dil aladhan de suli utte oye oye
 Aladhan de suli uttetang da
 Bhawe dekhan nu pakke rang da
 Aladhan de suli uttetang da
 Bhawe dekhan nu pakke rang da

Munda heere warga c tu hatho gawa leya
 Ho changa hi hoye ae aapna aap bacha leya
 Munda heere warga c tu hatho gawa leya
 Ho changa hi hoye ae aapna aap bacha leya
