

Bahla Changa Song Lyrics

Oh bahla changa gallan karda ae sohniya
Oh jehdi ohde naal badi lucky honi aa
Hathan vich hath paake turrey kamli
Sang ohnu vekh vekh khure kamli

Gaani ch tabeet ishqe nu saambh da
Kamle da monh mainu bahla aam da
Hassan bada sohna dimple di load ni
Rabb ohde naal ohdi kihne morh ni

Main jhuthan satrangi peeng naal jatt de
Wekh saanu kaiyan de blood ghatt de
Moran diyan pehlan hansa di awaz ni
Khoob mithe mithe baj rahe saaz ni
Smajh na lagge ohnu kinna chauni aa

Oh bahla changa gallan karda ae sohniya
Jehdi ohde naal badi lucky honi aa
Oh bahla changa gallan karda ae sohniya

Wadde wadde road waddi gaddi te sawar si
Dashboard utte peya ek sohna jeha haar si
Sterring ton hath chakk gal mere paaun laga
Marke breakan nehde saanhan de oh aun lagga

Dhadkan wali route tez tez ho gaye mere
Jadon bhaida mere utte hakk jeha jataun lagga

Mallo johri dassan mere bull sukkde
Chalde jo gaane sadde utte tukkde
Main bol sakdi na ankha naal gauni aa

Oh bahla changa gallan karda ae sohniya
Jehdi ohde naal badi lucky honi aa
Oh bahla changa gallan karda ae sohniya

Gallan taan oh karda sohniya
Gaane vi ohde sohne ne
Zyada te gundeya de gaunda

Halle romatic aune ne

Panoramic roof vich karda glow face
Take-off wangu denda gaddi di flow race
Vailpuna gabbru di soch vich high ae
Kudiyon de mamle ch thoda jeha snow case

Arhda taan lagge kise kunde warga
