

Jaha mein jinki ummido
Ke bede par hote hain
Woh khush kismat hajaro
Mein kahi do char hote hain

Bahot purdarz hai ai sunanewalo

Dastan meri oh gham ki dastan meri
Hajaro ranj hai aur ek
Jane sathva meri oh jane sathva meri

Safar toh jindagee ka tune baksha
Bakshnewale bakshnewale
Jara yeh bhi bata de aake manzil hai
Kaha meri oh manzil hai kaha meri
Bahot purdarz hai ai sunanewalo
Dastan meri oh gham ki dastan meri

Mohobbat aur nakami
Jawani aur barbadi
Jawani aur barbadi
Inhi do char labzo mein
Chhupi hai dastan meri
Chhupi hai dastan meri
Bahot purdarz hai ai sunanewalo
Dastan meri oh gham ki dastan meri.
