

Bahut kathin din beetay
Bahut kathin din beetay
Raat gayi taaron ko gin ke
Din bhi neeras beete
Bahut kathin din beetay

Lipat akela manva
Dil ka haal na jaane koi
Aankhiyon ke sab aansu sukhe
Prem dor hain khoi khoi
Aaj humein na bhaye kuchh bhi
Har aasha hain soi
Ek ek armaan haare hain
Bhed bhaav hain jeete
Din bhi neeras beete
Bahut kathin din beetay
Bahut kathin din beetay

Tera roop mujhe bharnaaye
Karta hain aakarshit
Mann karta hain dhyaan tumhein
Jeevan se bsm samet loon
Lekin ye mann saath na paake
Chintao se chintit
Saath tumhara kab hoga
Kab bhaagki parmita
Bahut kathin din beetay
Bahut kathin din beetay
Raat gayi taaron ko gin ke
Din bhi neeras beete
Bahut kathin din beetay

Tum mera sarvasva tumhi ho

Mera tann mann jeevan
Tere liye saja rakha hain
Antar tann mein upmanyu
Aaoge to kaliyan khilkar
Bhar degi mann madhuvan
Katt jaayege kasht roj ke
