Na jaane, na jaane, na jaane jaane jaane haai
Bairi piya bada re bedardi
Ho ho, bairi piya bada be, ish

Tu door jo tha to paas hi tha
Ab paas hai to door hai kyon
Na jaane jaane jaane jaane jaane
Tu door jo tha to paas hi tha
Ab paas hai to door hai kyon
Aa paas to aa pehna bhi de yeh kangna
Na sata, ab maan bhi le yeh kehna

Kaise kahoon kaase kahoon ram
Kangna kehna na maane
Na maane, na maane, na maane
Yeh kangna bada bedardi
Ho, yeh kangna bada bedardi
Kangna kehna na maane deewana
Aawaara, sangdil ram duhaai

Ab maan bhi jaao na
Na na na na
Tum paas to aao na
Haan haan re haan haan

Baheki baheki baaton mein teri
Dheere dheere aane lagi
Jugnu ne mujhse kaha aisa hai yeh tera piya
Le hi jaayega tera jiya

Haan, pyaari pyaari baaton pe teri
Chaandni bhi hasne lagi
Taare muskuraane lage, hawa gungunaane lagi

Aasmaan bhi jhoom utha

Kaise kahoon, kaase kahoon haai ram ram ram ram ram

Pagla itna na jaane

Na jaane, na jaane, na jaane jaane jaane haai

Ish

Ish.
