

Balama bada naadan re  
Balama bada naadan  
Preet ki na jane pehchanre  
Balama bada naadan re  
Balama bada naadan

Bainya pakadunbainya  
Pakadun haath dabaanun  
Bainya pakadun haath dabaanun  
Samajhat naahi kaise samjhaanun  
Samajhat naahi kaise samjhaanun  
Laakh jatan kar haar gayi main  
Rogi ho gayi jaan re  
Balam bada naadan re  
Balama bada naadan re  
Balama bada naadan

Bedardi sang naata laaga  
Mere preet ka bhaag na jaaga  
Mere preet ka bhaag na jaaga  
Binati karun main  
Painya padun main  
Ab to meri maan re  
Balama bada naadan re  
Balama bada naadan re  
Balama bada naadan
