

Balama hain tu mere dil ka mehma
Athithya yun hi rahana sada hriday ma
Prano ki tu purnima mera tu hi meharba
Band gaye hain snehma
Mann gagan ke chandarma
Balama balama balama
Piryatma hain tu mere dil ki mehma
Athithya yun hi rahana sada hriday ma
Sang na chhodu swargma
Milti hain tu swapan ma
Tu naiyan ki lalima tu hi tu paranma
Piryatma piryatma piryatma
Balama hain tu mere dil ka mehma

Gagan dina ne bhi aaj pyar wale
Dharti ke ye geet gaye
Mari jat ne ye kache pan ka
Dumcha tan mere
Dil mein ruksa khil ke
Mann gagan ka jadu chandar
Mama se hain narwar
Ni locha mein aaya
Tadka se badkar tadi sundar sudar
Mere tan se tan muskaya
Bhed khulte hi mann ke
Sir bhi sargam ho gaya sangam
Jag se jo door hui to
Bahar gam khus dono hum
Holiyo mein dekh lo
Chhupe prem lekh ko
Katharo ke hoth par dekhe kitne rafar
Ghadiya beeti aage ke tewar pe
Piryatma hain tu mere dil ki mehma
Athithya yun hi rahana sada hriday ma

Pran wayu ki ye benu aise baji
Dil ne dik ki dori thami
Devgan bana lokman
Geet chhaya mamta leke sari
Kya devo ne isko ved mantar padke

Raji mann se vachan se kar di
Menka thi lekin ghyan ki ye ban gayi
Kun mein kun mela si lipati
Tu nahi to hoga nahin ravi ka
Utand nikalega dang
Tu na ho to jeevan mera mot ka

Mosam main na huga puranam
Tu to sang sang ho dosti ka rang ho
Amrit ki javat ho ruke koi kase ho
Jag mein aise yun hi balame bite
Balama hain tu mere dil ka mehma
Piryatma hain tu mere dil ki mehma
