Stray ballin mainu kehnda chakkda ni phone
Keep callin ohna de dream kara own
They fallin kude meri apni aa zone
Aithe aaya main alone dekh laaye paye aa ron

Stray ballin

Now i heard they wanna see me stressed
They tryna find me
They goin' need some gps
And now they salty
Cuz they know my team is next
They want behind the scenes
This ain't no bts

Stray ballin

So i'm with the ballers
Now i'm with the dr*gs
But i came up with the girls
Shout out to the brosie
We countin up the dollars
And we bout to blow
So they screamin out in shallow

O gaddiyan de dash
Biba dashan utte cash
Kade thalle kade dekhi aa ni aish utte aish
Dekhi dass mangdi stack ya stash
Kade kitti tan ni karke tan dekh farmaish

Ainne ne kahton velle log pele log
Lori jande tel lelo tel lelo
Apne hi game paunde apne de naal

But i keep a pistol
That's just to remind me
That i stay safe
And people try to find me

O kade dekhi kaafra mandeer piche aa
Ni ranjheyan de kalli kalli heer piche aa
Kise moohre jhukkni nai ae goriye
Ni kyunki es dhar de jameer piche aa

Rabb ditte bohat
Shayad dede chheti more
Mainu kise da ni khauf
Vairi labhe red dot

Chalde ni bar
Jadon chalde ne yaar

Kade taazi taazi
Windsheild te gun
Shot ka mahoul strip
