

Prem ka rog laga lu kaise  
Ji ko mai sawariya ho balma  
Chhoti si chhoti si  
Meri bali umariya  
Balma chhoti si chhoti  
Si meri bali umariya  
Kahe ko nazariya se  
Tu giraye bijuriya  
Ho balma chhoti si chhoti  
Si meri bali umariya  
Balma chhoti si chhoti  
Si meri bali umariya

Kaliyo se bholi bhali  
Piya phoolo ki main hoon dali  
Kaliyo se bholi bhali  
Piya phoolo ki main hoon dali  
Arey miti ki main hoon gudiya  
Aaha miti ki main hoon gudiya  
Laz khushi se ki main hoon pyali  
Panghat se utha ke lau  
Kaise mai gagariya  
Ho balma patli si patli si  
Meri nazuk kamariya  
Balma patli si patli si  
Meri nazuk kamariya  
Prem ka rog laga lu kaise  
Ji ko mai sawariya ho balma  
Chhoti si chhoti si  
Meri bali umariya  
Balma chhoti si chhoti  
Si meri bali umariya

Nanhi si kiran hoon  
Abhi itni si mai sajan hoon  
Nanhi si kiran hoon  
Abhi itni si main sajan hoon  
Chalu tham tham ke dar se aise  
Chalu tham tham ke dar se aise  
Jaise main chahu pawan

Rimjhim rimjhim barsu  
Kaise banke main bdariya  
Ho balma pyasi si pyasi si  
Meri vyakul nazariya
