

Oh aaja re oh aaja re
Maati pukaare tujhe
Desh pukaare
Aaja re ab aaja re
Bhule ham raahen
Hamein raah dikha de
Aaja re raah dikha de
Aainak pakde laathi pakde
Chalte the woh shaan se
Zaalim kaanpe thad thad
Thad thad sunkar unka naam re
Kad tha unka chhota
Sa aur sarpat unki chaal re
Duble se patle se the
Woh chalte seena taan ke
Bande mein tha dam vande
Mataram vande mataram

O bhai bhai ka dushman bana re
Nafarat ki aandhi behti re
Vaishi dilon ko upkar sikha de
Aaja re baapu aaja re
Bande mein tha dam
Vande mataram vande mataram

Ho jhuth ka badhta

Jaaye raaj o baapu
Aapne hi ho gaye dhokebaaz
Aaj hamein apnon se bachane
Aaja re baapu mere
Bande mein tha dam
Vande mataram vande mataram

Paai paai mein insaan bika re
Jaan yeh ho gayi sasti re
Soya zameer baapu
Phir se jaga de
Aaja re baapu mere
Vande mataram

Bande mein tha dam
Vande mataram.
