

Kismat se kahaan tu khud se ladta hai
Phir haare tu kyun yahaan

Jab toote hain yeh dil
Ro bhi na tu paaye
Aur kuch na kahe yeh zubaan

Jaata jaaye tu kahaan bata
Teri manzil kahaan
Chhod aaya anjaane mein
Kya who mil paayenge wahaan

Sikandar hai who jo jeeta hai yahaan
Phir bhi akela who rehta hai yahin

Sab hai tere paas
Phir bhi tu kyun roye

Na sona chandi tu maange rab se
Ab na kare tu yeh khata
Chod aaya anjaane mein
Kya who mil paayenge wahaan

Bandey bandey
Khud ko na tu sata bandey
Kyun kaate ise tu ghut ghut ke yun jiyaaa.
