

Ser sajde mein lakh jhuka ho  
Karam ho tera bura  
Iss mitti se tu hai khila  
Iss mitti mein jaa mila

Kyun teri zindagi bas yuhi chalti rahi  
Teri gunaahon ki baarish se maili zameen huyi  
Kyun teri zindagi bas yuhi chalti rahi  
Teri gunaahon ki baarish se maili zameen huyi

Kaisi ye chahatein  
Kaisi ye ibadatein  
Duniya ke bazaaron mein  
Har jagah bikti mili  
Kar bandeya  
Kar bandeya  
Kar bandeya  
Kar bandeya

Bas pal bhar andhera hai  
Saamne savera hai  
Kya hum andhere se juda  
Roshni kabhi huyi  
Nadiyan parvat sagar kya

Aasmaan bhi rootha hai  
Badalon ki palko per  
Aansuon ka dera hai  
Bhulaaye huye hain sabhi raaste  
Bujhaaye hauye hain wo  
Chahat ke saare diye

Kyun teri zindagi bas yuhi chalti rahi  
Teri gunaahon ki baarish se maili zameen huyi  
Kyun teri zindagi bas yuhi chalti rahi  
Teri gunaahon ki baarish se maili zameen huyi
