

Tang tang dang tang dang  
Tang dang tang dang tang dang  
Heyy tang dang tang dang dang  
Tang dang tang dang tang dang

Door se dekhe aur muskaaye  
Chanda mama pyaara  
Tim tim karte taaron ko  
Dheere se karein ishaara  
Heyy tang dang tang dang dang  
Tang dang tang dang tang dang

Aisa na dekha pahele kehte sooraj chacha  
Baadal garje to dekho bajta hai ye baaja  
Bahena main teri tu bhaai hai meraa  
Bandhan tera mera bandhan tera mera  
Bandhan tera mera bandhan tera mera

Humein dekh kar kahaan kahan  
Ye kyaa ho raha hai yahaan wahaan  
Ye nadiya ye zarne ulte lage hai bahene  
Titali chale paani mein machhali magan udane mein  
Kaanto ke jungal mein dekho lage phool hai khilne  
Mor morni tota maina sabka bhi hai kahena  
Bahena main teri tu bhaai hai meraa  
Bandhan tera mera bandhan tera mera

Bandhan tera mera bandhan tera mera

Hoti jab apni katti taarein bhi lete hai chhutti  
Hum jagadein hum roothe to sher ka dil bhi tutein  
Tu kabhi judaa na hona na pade aankhon ko rona  
Chanda mama sooraj chaha lage saath hai kahena  
Sang hai hasna sang hai jeena humein sang hai rahena  
Bahena main teri tu bhaai hai meraa  
Bandhan tera mera bandhan tera mera  
Bandhan tera mera bandhan tera mera

Tang dang tang dang dang  
Tang dang tang dang tang dang  
Heyy tang dang tang dang dang

Tang dang tang dang tang dang

Door se dekhe aur muskaaye  
Chanda mama pyaara
