---

Bangaaru bomma ohooo andhaalagumma  
Manasanthaa nindina maata cheppaalamma  
Ninnu chusthe dhaagadhu nota yettaagamma

Aaa kaburu vinamani antuuu  
Naa yedhaku thondharalee  
Nee pedhavi alikidi vintee  
Naaloni alajadilee

Kalisina kalanainaa  
Naa hrudayamu needhileymmaa

Bangaaru bommaaaa ohooo andhaalagummaa

Nuvvu choose choopula thaakidi  
Adhi yedho teliyani sandhadi  
Lo padi thapinchanaaa

Nuvvu nadiche dhaarula vembadi  
Kadhilaa nee premaku lobadi  
Ee kshanam tharinchanaaa

Ishtamaina vaadu unte pakkana  
Kashtamannadhe ledhanta vachinaa...  
Inninaallu mosi theepiyaathanaaa  
Ippudippude ney thippi ivvanaa

Na pedhavi palukulu meete  
Nee peru sarigamalee  
Nee madhini kalisina chotey  
Noorellu madhurimaleee

Thalachinaaa... marupainaa..  
Nee guruthule gundelonaa

Bangaaru bommaaaa ohooo andhaalagummaaaa

Ninu unchaa naa chirunavvuna  
Nanu munchaa nee prathi oohanaa

Nee jathai undaalani

Viharincha nee prathichotuna  
Karuninche nee kanupaapala  
Ke kaleyy avvaalani

Anthuleni prema intha andhamaa  
Chentha cherithe neekintha mounamaa  
Gundeloni aasha thongi chudumaaaa  
Daachukunnadhi nee pranamee sumaa

Nee thalapu tholakari chinukai  
Naaa vayasu virisinadhi  
Bharatlyrics.com  
Nee valapu varamula maalai  
Naa thapana murisinadhee

Cheri sagam manamena  
Munumundhara jeevithaana

Bangaaru bommaaaa ohooo andhaalagumma.
