

Nazren gunhegar ho jaye sayad  
Nazara magar husan ka dekhna hai  
Abh kya bataye kaisa hai aalam  
Ke chand pehlu mein simta hua hai  
Aakhon ke jhukne ko gesu ke girne ko  
Kyaa naam de abh dil ke machalne ko  
Sohbat baaton mein aur behki saanson mein  
Dil ye hua banjara banjara banjara....banjara..

Kabsum ka aalam ke barish ka mosam hua  
Chua ungliyon ko ke dil mein talatum hua  
Saans ne saans ko choo liya  
Banjara banjara banjara banjara....banjara..

Main iss saadgi ka mariz e mahobaat hua  
Ye hai zehansibi ke dil jo niyahat hua  
Badhne do khuashiyen abh zara  
Banjara banjara banjara banjara....banjara..
