

Raat gaye haaye  
Ek banjaaran  
Gumshuda ho gayi  
Raat gaye ek  
Prem pujaaran  
Phir khuda ho gayi  
Aaja phir se jannat  
Chakhaa doon  
Ek hi raat hai  
Lab ya paimaane  
Se pilaa doon  
Ek hi baat hai  
Raat gaye haaye  
Ye banjaaran  
Gumshuda ho gayi  
Raat gaye wo  
Prem pujaaran  
Phir khudaa ho gayi

Raat tera suroor jo  
Sadkon pe nikley  
Raat tera suroor jo  
Sadkon pe nikley  
Badtameez meri parchhayin  
Pakadke chaley  
Jism ki hadd se pare  
Dil se kya arz kare  
Band kachehri mein hooooo  
Band kachehri mein  
Kyun dil ka mamlaa darz kare

Raat qaafi nahi  
Raat baaqi nahin

Aaj dil ki shamaa bujhaa do  
Raat qaafi nahin

Jism se ek sholaa jalaa do  
Raat baaqi nahin  
Raat gaye haaye  
Ek awaaran bewafaa ho gayi  
Raat gaye wo prem pujaaran  
Phir khudaa ho gayi

Tujhko chhoone ke baad se  
Allah reham karey  
Tujhko chhoone ke baad se  
Allah reham karey  
Tujhko chhoone ki yeh zaroorat  
Kucch toh kam karey

Mastiyaan aise lutein  
Raat bhi sokey uthey  
Jaane wo kya dekhe haye  
Hooo ooo ooo  
Jaane wo kya dekhe haye  
Subah toh khwaabon  
Mein khoke uthey

Beparwaah hain  
Laaparwaah hain  
Beparwaah hain  
Laaparwaah hain

Aatishein bikhrin hain badi  
Ye beparwaah hain  
Khwahishein sulgi huyin  
Aur laaparwaah hain  
Raat gaye ye shokh pahaadan  
Behayaa ho gayi  
Raat gaye wo  
Prem pujaaran phir  
Khudaa ho gayi.
