

Everywhere everywhere...
Love is love is in the air...
Everywhere everywhere...
Love is love is in the air...
Here and there everywhere...
Love is love is love is in the air..

Its rain in love
Its rain in love
Its rain in love

Its rain in love
Its rain in love
Yeh pyaas kahin kar de na mujhe paagal

Baras ja yeh baadal baras ja
Baras ja yeh baadal baras ja
Baras ja yeh baadal baras ja
Baras ja yeh baadal baras ja
Ji bhar ke bhigo de aaj mere tan ka sandal

Baras ja yeh baadal baras ja
Baras ja yeh baadal baras ja
Its rain in love
Its rain in love
Its rain in love
Its rain in love
Its rain in love

Its rain in love
Its rain in love
Its rain in love
Its rain in love
Its rain in love

Leti hai hajaaron khwaayish dil mein angdaayi
Tu kya jaane yeh kya hai badan ki tanhaayi
Its rain in love
Leti hai hajaaron khwaayish dil mein angdaayi
Tu kya jaane yeh kya hai badan ki tanhaayi
Mann chaahе teri baahon mein hum jaaye bikhar
Baras ja yeh baadal baras ja

Baras ja yeh baadal baras ja

Everywhere everywhere..

Love is love is in the air..

Everywhere everywhere..

Love is love is in the air..

Baras ja yeh baadal baras ja

Baras ja yeh baadal baras ja

Its rain in love

Its rain in love

Its rain in love

Its rain in love

Its rain in love

Tu hamako duboke rakh de apani chaahon mein

Bas chain hamein milata hai teri panaahon mein

Its rain in love

Tu hamako duboke rakh de apani chaahon mein

Bas chain hamein milata hai teri panaahon mein

Hum tere bina rehate hai hamesha hi bekal

Baras ja yeh baadal baras ja

Baras ja yeh baadal baras ja

Baras ja yeh baadal baras ja

Baras ja yeh baadal baras ja

Yeh pyaas kahin kar de na mujhe paagal

Baras ja yeh baadal baras ja

Baras ja yeh baadal baras ja

Baras ja yeh baadal baras ja

Baras ja yeh baadal baras ja

Its rain in love.....
