

Barbad hiroshima ki tasveer dekh lo
Insan ki sabse badi takseer dekhlo
Is aetmi bala ka hai pahla shikar hum
Range bahar the kabhi ab hai gubar hum

Insan ke is gunah se aakash jhuk gaya
Tha waqt jis jagah pe bas wahin pe ruk gaya
Ye hath kate paanv kate jhulte dhanche
In dhancho me hum jaise hi insan dhale the

Maa ki muskurati god khali ho gayi
Poonam ki raat bhi suna hai kaali ho gayi

Kahati hai hiroshima ki basti pukar ke
Gujro na tum main gujri hoon jis rahgujar se.
