

Barson ke baad barse hai aaj
Badal zamee ko tarse hai aaj
Barson ke baad barse hai aaj
Barson ke baad barse hai aaj
Badal zamee ko tarse hai aaj

Inke aane ka koi sabab hoga
Niche hum hai
Niche hum hai to upar rab hoga
Barson ke baad barse hai aaj
Badal zamee ko tarse hai aaj
Inke aane ka koi sabab hoga
Niche hum hai
Niche hum hai to upar rab hoga
Barson ke baad barse hai aaj
Badal zamee ko tarse hai aaj

Dhadkan me hulchal hai
Arman pighal rahe hai
Kyu hai ye bechaini

Sapne machal rahe hai
Is rut ki ye farmayish hai
Is rut ki ye farmayish hai
Ab man le mausam ka kaha
Barson ke baad barse hai aaj
Badal zamee ko tarse hai aaj
Inke aane ka koi sabab hoga
Niche hum hai
Niche hum hai to upar rab hoga
Barson ke baad barse hai aaj
Badal zamee ko tarse hai aaj

Tumne mujhe pukara
Mai to ho gayi pagal
Saanso mein chupa lo
Mahaka uthenge ye pal
Ab chod gila mujhe gale laga
Ab chod gila mujhe gale laga
Rang mere pyar ka chad gaya
