Be still.... My heart be still.... Be still.... My heart be still....

Come down from the window Soon up to my breathe.. Don't jump to that Come down from the window Bharatlyrics.com Soon up to my breathe.. Don't jump to that Be still.... My heart be still....

There is love As i swallow Its you and i know it My hair is all sworthy And i don't do much

There's an empty ripcage And the stomach that rising And i begining to float Can't say that surprising

Be still.... My heart be still....

Come down from the window Soon up to my breathe.. Don't jump to that

Be still.... My heart..be still....
