

Beast Mode Song Lyrics

Meaner leaner stronger
Can you feel the power terror fire
Meaner leaner stronger
Can you feel the power terror fire

Thirai thee pidikkum vedi vedikkum
Oruthan vandha pada nadangum
Meaner leaner stronger
Can you feel the power terror fire

Avan mel idikkum koottam ellam
Thozhvi mattum pazhagidanum

Pala perin mogama
Ninnu aadura puli thaane
Vilaiyada nenacha
Un vidhi mudippaane

Sila perin peyar thaan
Oru aalumi perumaame
Oru veeran thadame
Nee kaayam vaangura idame

Meaner leaner stronger
Can you feel the power terror fire
Meaner leaner stronger
Can you feel the power terror fire

Evan vazhanum evan poganum
Adhai yosichu mudinja nerunganum
Thani raanuvam adi aayudham

Ninnu aadura puli thaane
Vilaiyada nenacha
Un vidhi mudippaane
