

O beautiful baby of broadway  
Rock in right over my heart  
You have set me a fire any way  
You are too good in your art  
Don't want to miss you  
Life without you  
Can't think of it  
O my shoo shoo  
Ooo

O beautiful baby of broadway  
Rock in right over my heart  
I would have whispered what i long to say  
If you were only not so far  
Don't want to miss you
