

Beeba Lyrics

On iras a paris
Champs elises la tour effeil
Dans une shisha de dubai
Burj khalifa dans le ciel

Oh lala mademoselle
On fais la bella vita
Elle me fascine tres sublime
Assise dans une testarossa

On fais la vida loca
Elle veux de moi tout-part
Sa presence dans ta life c'est comme
Avoir un million de dirham

On s'est reveilles en italia
On a fait shopping dans les pays bas
Que les affaires dans mon agenda

Mais on fais la fete a la marina

So stuck in the darkness
And i the light cuz i can't say
I don't deserve this
I don't trust myself around me around me

I need more time cuz my soul stuck in the darkness
Cuz i can't say i don't deserve this
I don't trust myself around me around me

Allah hayra kana o mai jani tharra
Allah hayra kana o mai jani tharra
Allah hayra kana o mai jani tharra
Allah hayra kana o mai jani tharra

Oh beeba kivein aa kiddan
Tere jalve viva la vida
Been waiting for you lambi udeeka
Baag fulla wala jivein hadiqa

Tu eh garur mera chehre te noor jeda
Ohde agge lagge sab kuch feeka
Dil rakhle tu mera for a life time
Aivein paawe gaa tu lambiyaan tareeka

Mera dil leke dekhi dil mod di na billo
Dil aashiqaan de kach jehe tod di na billo
Beda paar tu lagaadi kithe rordh ni na billo
Gallan baatan vich aaji kise hor di na billo

Sheeshe rari de down gucci sun shade
Pichhe aashiq ne lagge rende panj 6
Siron lakk tak paya hoye lv
Lakk thalle a to z ya givenchy

So stuck in the darkness
And i the light cuz i can't say
I don't deserve this
I don't trust myself around me around me

I need more time cuz
My soul stuck in the darkness
Cuz i can't say i don't deserve this
I don't trust myself around me around me
