

Raho sang tum  
Hai mujhe bhi na pata  
Aise ho yakin ka jashn  
Raho sang tum na jaao  
Teri aankhon ki sachchai  
Hai andhero me roshni  
Tum ho pyar..tumhe behad pyar

Hardam me  
Khul jaa humdum  
Khul jaa humdum  
Khul jaa humdum  
Hardil me  
Behad sargam  
Behad sargam  
Behad sargam  
Tere hi akso me khud ko kho jaa  
Infinite love  
Tere hi akso me khud ko kho jaa

Infinite love  
Ek naam tumhara  
Saara jahaan to  
Ek naam tumhara  
Infinite love  
Ek khwaab suhana hai  
Teri ibadat ka ye bahaana hai  
Infinite love  
Infinite love  
Infinite love

I say the blind, the blind  
I say the blind will see  
Infinite love..  
Me say now heed the words  
Bharatlyrics.com  
And we're gonna split the sea  
Infinite love..  
What say what  
Say what what

Infinite love..  
Light a candle  
Me say don't curse the darkness  
Make a wish  
Send it to the heartless  
Taking it back in time 500 bc  
Taking it to the future historically

Infinite love  
Ek naam tumhara  
Saara jahaan to  
Ek naam tumhara  
Infinite love  
Ek khwab suhana hai  
Teri ibadat ka ye bahaana hai  
Infinite love  
Infinite love  
Infinite love.
