---

Tu rang chaadhgi nimaane nu  
Akhan ch pyaar jo dikhave tu  
Sabran na jaan diyan behan nu  
Gallan tan bahliyan ne kehan nu

Alfaaz na aawe  
Taiyon kuch na kaha  
Nain karan biyaane  
Taiyon seeti zubaan

Behzubaan hoye aa  
Behzubaan hoye aa  
Behzubaan hoye aa

Behzubaan hoye aa

Tu tan dilan di aa jaane  
Par keh na paawe  
Naina ton kahave yaara

Tu tan kole mere aawe  
Hosh main gawava  
Shamma tu jalave

Akhan wale dang nahiyo sehna jaande  
Khaaba de nazaare bas laina jaande  
Kehan di na lodh tan vi sab jaande  
Dilon mehsoos kara
