

Ye teri husn se lipti hui alam ki gard
 Apni do roj jawani ki shiksto ka shumar
 Chandni raato ka bekar dhehakta hua dard
 Dil ki besud tadap jism ki maayus pukar
 Chand roz aur meri jaan fakat chand hi roz
 Chand roz aur meri jaan fakat chand hi roz
 Julm ki chhav me dum lene pe majhbur hai hum
 Julm ki chhav me dum lene pe majhbur hai hum
 Ek jara aur sitam seh le, tadap le role le
 Ek jara aur sitam seh le, tadap le role le
 Apne ajdad ki miras hai, mazur hai
 Apne ajdad ki miras hai, mazur hai
 Chand roz aur meri jaan fakat chand hi roz
 Chand roz aur meri jaan fakat chand hi roz

Jism par kaid hai, jazbat pe janjire hai
 Jism par kaid hai, jazbat pe janjire hai
 Fikr mehbus hai, guftar pe tazire hai
 Fikr mahbus hai, guftar pe tazire hai
 Aur apni himmat hai ki hum fir bhi jeeye jate hai
 Zindagi kya kisi mufliis ki kaba hai
 Jisme har ghadi dard ke pehband lage jate hai
 Zindagi kya kisi mufliis ki kaba hai
 Jisme har ghadi dard ke pehband lage jate hai
 Chand roz aur meri jaan fakat chand hi roz
 Chand roz aur meri jaan fakat chand hi roz

Lekin ab julm ki miyad ke din thode hai
 Lekin ab julm ki miyad ke din thode hai
 Ik jara sabr ke faryad ke din thode hai
 Ik jara sabr ke faryad ke din thode hai
 Arsa ye dehar ki jhulsi hui virani me
 Humko rehna hai par yuhi to nahi rehna hai
 Arsa ye dehar ki jhulsi hui virani me
 Humko rehna hai par yuhi to nahi rehna hai
 Ajnabi haatho ka benam karabar sitam
 Aaj sehna hai hamesha to nahi sehna
 Ajnabi haatho ka benam karabar sitam
 Aaj sehna hai hamesha to nahi sehna
 Chand roz aur meri jaan fakat chand hi roz

Chand roz aur meri jaan fakat chand hi roz

Ye teri husn se lipti hui alam ki gard
Apni do roj jawani ki shiksto ka shumar
Chandni raato ka bekar dhehakta hua dard
