

Aye khuda mujhako tu itana tu bata
Kya hai meri galati jaane kya hai meri khata
Din ki bhi na mujhako khabar, raat ka na pata
Kya hai teri marji jaanu na, kya hai teri raja
Jab se jaana hai usako, kuchh khoya sa
Aage aage jamaana bhaage, pichhe main yahaan
Pehchaana jo usako main gumshuda o o o....
Anjaane mein jaane kaise andekhe hai raste
Dagar pe jubaan pe bekhabar sa huwa

Dosto ki mehfil mein jis se bhi main mila
Badala badala sa lagata hoon sab ne yahin kahaan
Baithe baithe badalta hai koyi aisa hota hai kya
Jab bhi maine kuchh aisa kahaan kisi ne na suna
Jab se jaana hai usako, kuchh khoya sa
Aage aage jamaana bhaage, pichhe main yahaan
Pehchaana jo usako, main gumshuda o o o....
Anjaane mein jaane kaise andekhe hai raste
Dagar pe jubaan pe bekhabar sa huwa

Ai khuda mujhako tu itana toh bata
Kya hai meri galati jaane kya hai meri khata
Din ki bhi na mujhako khabar, raat ka na pata
Kya hai teri marji jaanu na, kya hai teri raja
Jab se jaana hai usako, kuchh khoya sa
Aage aage jamaana bhaage, pichhe main yahaan
Pehchaana jo usako main gumshuda o o o....
